Tonia Clark; new Ministry Assistant;; email address: toniaclark@mchsi.com

**Tom Hocutt,  
Director of Missions**

By the time you read this, Martha and I will be enjoying the company of our children, their spouses, and of course, Miss Sydney in Louisville. We will have attended the Southern Baptist Convention's Associational Director's of Missions annual meeting and the Southern Baptist Convention's annual meeting in Nashville. We appreciate you providing us the opportunity to attend these meetings as well as take a few days of vacation to spend with family.

Also, you may know by now that the Ministry Assistant approved by the Personnel Committee and the Executive Committee declined the position and also my second choice declined. I was back to square one, but I did receive seven new resumes. I interviewed three of those and chose one. The Personnel Committee has approved my choice and she began her training June 13. Her name is Tonia Clark. I believe that you will enjoy working with Tonia. She has an outgoing personality, excellent skills, and loves the Lord. She and her husband have recently moved to Lee County. Welcome Tonia!

We have come to that time to say not good bye, but see you later to Lee Tarrer. Lee has served her Lord in an outstanding way as Ministry Assistant/Clerk/Treasurer for over two years. She has the office functioning in an efficient and effective manner. Her skills and personality were a blessing to the association. Her relationship to the Lord shone through everything she did. She will be missed, but she and John are entering into a new adventure with the Lord in Atlanta. We wish for them a very fulfilling life there. Pray for them as they make this huge change in their lives.

God continues to bless the association financially. Through five months we are ahead of budget by a small amount. We also have been able to purchase a new projection screen to replace the tripod screen that has a tear in it. Of course, any church may reserve this new screen for use by calling the office. We also have new shelving/cabinets in the library to display our media resources in a more effective way. Come by the office to see the new shelving and see what media resources we have available for churches to use.

Please pray for Children's Camp at Norman Park, July 11-14. We have some great people making this a reality. It takes a great deal of planning and preparation to have a good camp experience for our children. Sign your children and grandchildren up for a great camp experience learning to be "God's Champion All-Stars."

Thanks to all the churches who participated in the Paper Products and Cleaning Supplies Drive for the Georgia Baptist Children's Home. I have been packing the trailer. I hope we are able to fill it up.

Thanks for letting me serve the Lord through being your Director of Missions. Tom
